Why should you be in Expomaritt Exposhipping İstanbul?

Engage with a powerful network of **regional and international contacts** and develop new business opportunities or partnerships.

Promote your products & solutions at the **benchmark event of the region** for maritime industry.

Hear from **leading industry experts** on a wide range of topics and keep abreast of the latest developments in the maritime industry.

Commercially viable and strategically crucial, **İstanbul** has one of the strongest geo-locations in Eurasia, hence idea business meeting point with easy access.

Being the center of finance and industry of Türkiye, **İstanbul** can be defined as a business hub for world markets thus remains its global importance for centuries.

The Turkish Innovations And Forces

Türkiye is hosting one of the regional largest shipbuilding and service capacities, on the other hand, the Turkish industry is representing many of the top-quality facilities, service companies and supports for your operations. More shipping capacity is managed from Türkiye than anywhere else in the Middle East and Eurasia.

Expomaritt Exposhopping Istanbul offers its participants the opportunity to introduce their products and services to the global maritime industry, as well as to conduct competitor analysis, establish new business contacts and learn about the latest developments in the industry.

EXHIBITOR TESTIMONIALS

This year, the fair was organized in a much more professional venue compared to previous years, for which we extend our gratitude to the organizers. As a company specializing in the supply of food and technical materials across various geographies worldwide, we serve more than 1000 ships per month in over 1200 ports across 120 countries. The fair exceeded our expectations this year. We had the pleasure of meeting visitors from numerous countries and there is a lot of business right now, we are very pleased. It provided us with a valuable opportunity to connect with industry stakeholders. Expomaritt Exposhipping İstanbul stands as the flagship fair of the sector in our country.

Doğukan Şimşek,
Digital Transformation Manager
AVS, Türkiye

The fair has been very successful for us. We've been able to hold meetings with various stakeholders in the sector, including both our competitors and customers. We're showcasing our new products and have had the opportunity to discuss current and future projects with our customers. In this regard, Expomaritt Exposhipping İstanbul fair holds great value for us, being the largest and most comprehensive maritime fair in Türkiye. As Bulutlu Marine, we have been participating for many years, and we plan to continue doing so.

Selin Güre, Sales Account Manager
Bulutlu Marine, Türkiye

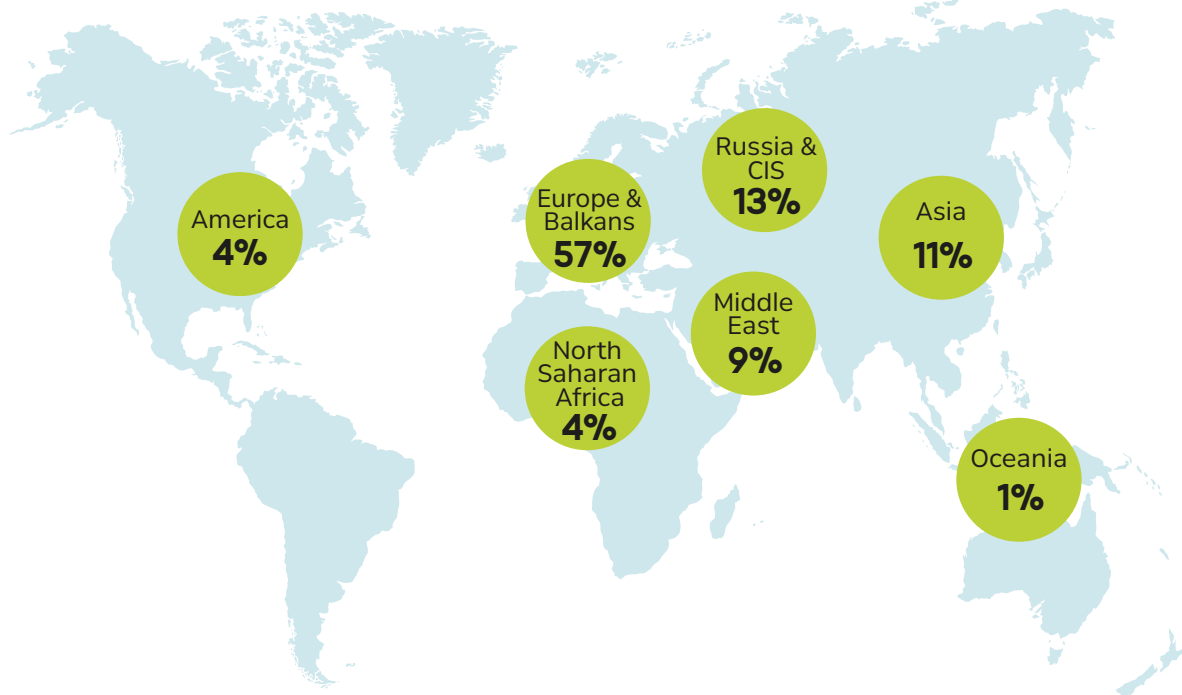

This fair holds great significance for us because it provides employees from the companies we represent abroad with the opportunity to meet our customers face-to-face. The fair was highly successful for us, with visitors coming from Yalova, Tuzla, and even Antalya shipyards. It was a professional and successful event. We intend to continue exhibiting at this fair for as long as it persists.

Osman Sönmez, Sales Manager
Nemo Marine, Türkiye

MEETING POINT OF THE MARITIME INDUSTRY

Expomaritt Exposhopping İstanbul brings the entire shipping world to its exhibitors. The shipping community derives its strength from variety of companies and thousands of visitors. Türkiye represents a multi-billion dollars opportunity for shipbuilders and suppliers of marine equipment, information technology and all stakeholders of marine services. European and Eurasian companies are the largest customer groups for exhibitors.

VISITOR TESTIMONIALS

"Eriks is a ship supplier in the maritime industry. We supply all kind of different products, for instance valves, plastics, cascades, seals; lots of products that is used in maritime industry. We are doing a lot of business in Türkiye. That's why we are here. This show is a show where we meet our clients, we have a local representative here in Türkiye. So we expect more business for the future for a company like us from the Netherlands, because Türkiye is doing a fantastic job for the shipbuilding."

Hilco Oortwijn
ERIKS, The Netherlands

"This is my first time in this exhibition and I expect to learn more about the Turkish market. This show is very important because you meet a lot of companies from different type of owners, shipyards, original equipment manufacturers and also the suppliers like we are. We plan to visit the next edition again."

Kurt Parkstad
Haakon Ellingsen, Norway

"This is my second visit to Expomaritt Exposhopping İstanbul and I can say that Turkish Market express huge opportunity for shipping industry and especially for the shipbuilding. You can see here all parts of shipping industry. We'll visit the show in 2025 again."

Irina Kalashnikova
Diving Marine Service LTD, Ukraine
